PROFESSIONAL SUMMARY

I'm a passionate Front-End Developer with 4+ years of experience specializing in React.js, Next.js, Vue.js, TypeScript, and cutting-edge UI frameworks. My expertise lies in building responsive, accessible, and scalable web applications powered by AI-driven technologies. Proven track record in optimizing performance, enhancing security, and collaborating effectively within cross-functional teams to deliver intelligent, user-focused solutions in SaaS, FinTech, and logistics sectors.

WORK EXPERIENCE

MyKonsul, Jakarta, Indonesia - Software Engineer (Front End Web) 09/2024 - 02/2025
